

Myrrh Coffee Table

en gold

The Myrrh Coffee Table is a sculptural centrepiece for the living space, handcrafted from solid wood with En Gold's signature twisted carving. Its bold base supports a generous rectangular top, offering a perfect balance of strength, artistry, and function.

Designed for both everyday use and considered styling, the Myrrh Coffee Table invites conversation and presence into the home. The natural grain of solid timber enhances its tactile quality, while the hand-carved legs bring a sense of movement and timeless craftsmanship.
