en gold

The Myrrh Floor Lamp is a statement of sculptural elegance, handcrafted from solid wood with En Gold's signature twisted carving. Rising from a circular timber base, the bold spiralled form extends upward to meet a soft fabric shade, offering both presence and warmth to any interior.

Designed to illuminate living rooms, bedrooms, or reading corners, the Myrrh Floor Lamp brings balance between artistry and function. Its height and sculptural silhouette make it not only a source of light but also a commanding design feature within the home.

Each lamp is individually shaped by artisans, celebrating the natural grain of solid wood and the hand-carved craftsmanship behind every detail. A collectible design piece, the Myrrh Floor Lamp transforms lighting into an art form.
