

Myrrh Square Dining Table

en gold

The Myrrh Square Table is a bold expression of sculptural design, handcrafted from solid wood with En Gold’s signature twisted carving. Its square top rests on a singular spiralled base, creating a harmonious balance between structure and artistry.

Compact yet impactful, this piece is versatile in its function—ideal as a dining table for smaller spaces, a statement entry table, or a sculptural accent in the home. The natural timber grain and hand-carved detail make every Myrrh Square Table unique, celebrating the craftsmanship of its maker.
