

Paradis Coffee Table | Spanish Beige Marble

An En Gold design favourite, the Paradis Coffee Table is reimagined in Spanish Beige Marble. Its organic, cloud-like silhouette rests on three cylindrical legs, striking a balance between softness and structural form.

Crafted with smooth marble tile inlay, each tile is carefully hand-aligned to highlight the natural tone and variation of the stone. The surface is polished to a gentle sheen, offering a refined yet grounding presence in any living space. Assembly Required.

Top surface finished with a protective sealer to help guard against staining and etching.
