

Paradis Round Dining Table | Spanish Beige Marble

Paradis Round Dining Table is reimagined in Spanish Beige Marble. The sculptural pedestal base is paired with a smooth, rounded-edge tile top, bringing warmth, texture, and an organically imperfect beauty to the piece. Each marble tile is hand-aligned to highlight the natural variation of the stone, creating a surface that is both refined and practical for everyday living and shared meals.

Assembly Required. Available in 52" and 63" sizes.
