

Sable Lounge Chair

Available in:

Woven Ivory

Mushroom Velvet

Designed as a sculptural retreat, the Sable Lounge Chair features an embracing curved silhouette accented by the collection’s signature wave detail. Handcrafted with refined proportions and organic softness, its form is further elevated by subtle tucked fabric detailing that adds depth and a tailored finish. Offering an inviting seat, it’s perfect for moments of quiet reflection and restful pause.

This product is crafted to meet commercial-grade standards.
