

# Santos Long Mirror

en gold

A statement of sculptural presence.

The Santos Long Mirror features a bold, hand-carved Gmelina timber frame with rounded bobbin detailing, bringing a grounding yet refined character to any space. Thoughtfully proportioned to mount, this mirror elevates its surroundings with form and function. Perfect as a dressing mirror or to open up your hallway, bedroom, or living space.

Fitted with a hanging system on the back. Wall fixings are not included; we recommend a professional installer selects fixings to suit your wall finish.
