

Santos Short Mirror

en gold

Timeless charm in a compact form.

The Santos Short Mirror brings the signature bobbin-carved frame to a smaller silhouette; ideal for styling above a console, in an entryway, or layered on a shelf.

Handcrafted in Gmelina timber, this piece adds dimension and warmth to any room with its soft curves and sculptural texture.

Fitted with a hanging system on the back. Wall fixings are not included; we recommend a professional installer selects fixings to suit your wall finish.
