

# Wylie Bed Frame

QUEEN

en gold

A sculptural interpretation of traditional iron bed frames, the Wylie Bed Frame is defined by its gently arched profile and refined vertical detailing. Crafted from powder-coated iron, the design balances strength with softness, its fluid lines rising and dipping in a rhythmic silhouette. Designed to anchor the room with presence, yet remain open and airy in form. Solid hammered iron frame, this bed is heavy weight and sturdy. The Wylie bed frame is available in Twin, Queen, King, California King.

## Product Details:

- Powder-Coated Iron Frame
- Plywood Slate base
- Load Capacity: 800 lbs
- Material Color: Iron

## Specifications (Approx.):

### Queen Dimensions:

- Depth: 82 3/4"
- Width: 63 1/8"

## Headboard & Footboard Bar Gaps

### Headboard

### Footboard

Gaps are clear spaces measured edge to edge between bars (11" / 18 1/2" / 18 1/2" / 11", left to right). Vertical bars are 3/4" diameter and the lower rails are 1" with a 4 1/8" gap between them. Measurements are approximate, converted from millimeters and rounded to the nearest 1/8 inch. Illustration for reference only.
