

Wylie Bed Frame

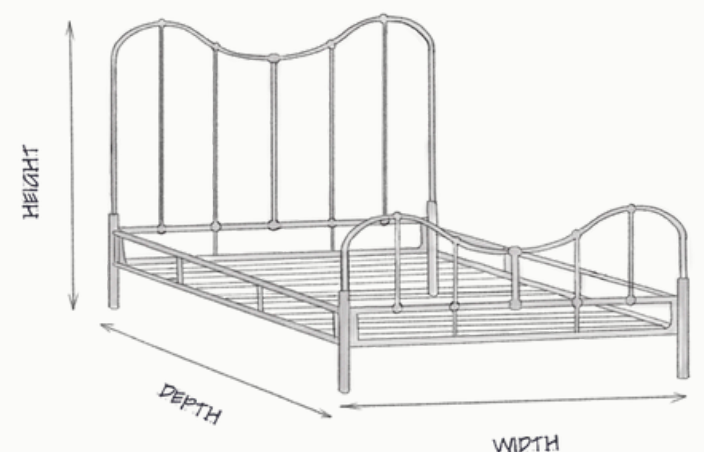

en gold

A sculptural interpretation of traditional iron bed frames, the Wylie Bed Frame is defined by its gently arched profile and refined vertical detailing. Crafted from powder-coated iron, the design balances strength with softness, its fluid lines rising and dipping in a rhythmic silhouette. Designed to anchor the room with presence, yet remain open and airy in form. Solid hammered iron frame, this bed is heavy weight and sturdy. The Wylie bed frame is available in Twin, Queen, King, California King.
