

Wylie Ottoman

en gold

A natural extension of the Wylie Chair, the Wylie Ottoman continues the dialogue between softness and structure. Upholstered in plush shearling, its rounded form rests within a minimalist iron frame, creating a grounded contrast of warmth against strength. Designed to complement or stand alone, it offers a considered balance of comfort and form.

Materials: Powder-Coated Iron frame
Plywood internal frame
Upholstery: 100% Untreated
Shearling Fabric
